SIGNATURE EVENTS

TECH SUMMIT + APEX AWARDS

February 24 | Grand Hyatt Denver
Member Ticket Discount

This year we're bringing you two great events wrapped up in one epic conference shining a spotlight on Colorado tech! Join us for this year's Colorado Tech Summit, and you'll also get to cheer on this year's APEX Award winners at our Awards Luncheon as part of the event!

C-LEVEL @ A MILE HIGH

May 19 | Empower Field
Complimentary Member Tickets (Company Team Plus & Premier Corporate)

C-Level @ A Mile High is where strong relationships begin and tech business gets done. C-Level is CTA's largest fundraiser helping us to carry out our mission of fueling Colorado's economy through technology. Join us back in person this year at Empower Field!

WOMEN IN TECH CONFERENCE

September 14 | Spruce Mountain Ranch
Member Ticket Discount

The Women in Tech (WIT) Conference celebrates women across technology. Attendees will enjoy a full day of direct access to executive-level female-identifying tech and community leaders from all corners of Colorado tech and beyond. Participants hear from a variety of dynamic speakers and engage in meaningful discourse on technology trends, leadership, and the opportunities and challenges facing women building a career in tech. Join us back in person this year at Spruce Mountain Ranch!

SIGNATURE EVENTS

SHETECH

Oct. 28 | TBD

Sponsorship Opportunities Available

SheTech is a one-day event for 9th and 10th grade female students featuring workshop activities in science, technology, engineering and math (STEM) with professionals from a variety of backgrounds and industries. Industry members are invited to showcase their company by hosting an immersive Tech Workshop or TechZone Activity during the event.

TECH SOCIAL

Dec. 1 | TBD

Member Ticket Discount

Join us to end the year at an interactive networking event! In 2021 we gathered at Punch Bowl Social for an ugly sweater contest, pool tournament and ping pong tournament. Our Tech Social is a great way to let your hair down with your fellow members of the Colorado tech community.

PROGRAMS

MEMBER HAPPY HOUR + NEW MEMBER ORIENTATION

Quarterly | Location to Come

Free for All

Member happy hours bring together our network in a casual, intimate setting with curated conversations to connect and build relationships with fellow CTA members and the CTA team. New to CTA? Join us for a short member orientation prior to the happy hour, during which you'll get the opportunity to meet the CTA team and connect with fellow members!

DAY AT THE CAPITOL

Date TBD | Colorado State Capitol // Virtual

Free for Members

Tech Day at the Capitol is an event for tech companies in Colorado to represent the state's tech industry and connect with policy makers to educate and inform them on your company or organization and the role you play in the overall Colorado tech ecosystem. Receive the latest updates and showcase your company and technology to our state leaders.

*This event is not yet scheduled. More information will be released soon.

DC FLY-IN

Fall | Washington, D.C. // Virtual

The DC Fly-In provides an opportunity for CTA members to learn the latest on tech policy issues from experts and decision makers and offers communication with Colorado's Congressional Delegation.

*This event is not yet scheduled. More information will be released soon.

Updated as of November 2021. Dates subject to change. Visit coloradotechnology.org for more information.

PROGRAMS (CONTINUED)

INSIGHTS SERIES

Quarterly | Locations Vary
Free for Members

The Insights Series explores the latest emerging technologies and features a deep dive into tech topics. Each event features an expert analyst and diverse expert panel. 2021 topics included, "In Data We Trust... Or Do We? Building Trust in Data"; "Digital Twins: How They are Impacting Business & Tech... Should You be Using Them?"; "Modern Software Development - A Look at the Evolving Trends in Software"; and "Diversity and Inclusion in Tech: Where the Industry Needs to go from Here."

WOMENARS

Bi-monthly | Virtual
Free for Members

Launched by our Women in Tech CO Council, our Womenar series are bi-monthly webinars that aim to identify and understand the issues facing women in technology and leadership positions. We invite both men and women to engage in these bi-monthly programs.

YOPRO QUARTERLY EVENTS

Quarterly | In Person
Discounts for Members

Launched by our Young Professionals Board, our YoPro Quarterly Events bring together young professionals from across the Colorado Tech community for a mixture of networking, professional development and volunteer opportunities.

COMMITTEES & COUNCILS

Tech Talent Colorado

Schedule for these meeting is still pending.
Free for Members

Tech Talent Colorado is an industry-led council that serves to support, educate and train a viable technology sector workforce by acting as a voice for the tech industry, collaborating with community and regional partners and advocating for the development of a strong technology workforce through outreach and regional collaboration opportunities. Tech company executives, hiring managers and HR representatives are welcome, as are our public partners focused on education and workforce development for the technology community.

TECH AFFAIRS COUNCIL

Schedule for these meeting is still pending.
Premier Corporate Member Only; Free for Members

Bridging and informing industry and government to drive smart policy that fosters and protects a thriving, innovative technology climate. The Tech Affairs Council is a bi-monthly meeting of CTA members coming together to discuss policy and regulatory issues impacting the Colorado tech community. Each meeting features an update on relevant issues and a presentation from stakeholders in the tech policy community.

WOMEN IN TECH COLORADO COUNCIL (WIT-CO)

Bi-monthly | Virtual/InPerson
Premier Corporate Member Only; Free for Members

The Women in Tech CO Council is attended by the heads of women's corporate networks. Through the meetings, these leaders build relationships and share best practices for starting and supporting a women's corporate network and engage in related women-in-tech-focused programs and initiatives.

Updated as of November 2021. Dates subject to change. Visit coloradotechnology.org for more information.
